

REMARKS

The present amendment adds six additional claims which were originally filed in the related International application, but which were inadvertently omitted from the Preliminary Amendment filed with the National Phase application on September 15, 2006. No new matter has been added. Applicants respectfully request the examination of all 23 claims.

Applicants also submit herewith the requisite additional claim fees totaling \$150.00, as authorized on the attached Amendment Transmittal.

It is respectfully submitted that the present application is in a condition for allowance and a Notice to that effect is earnestly solicited.

Respectfully submitted,
JONES DAY
